

# Nottingham Castle Maze

Robin Hood (Michael Praed) has just escaped the Nottingham Castle dungeon (upper right corner). In order to find safety in Sherwood Forest, he must navigate the labyrinthine passageways of Nottingham Castle to the window in Lady Marion's Room (lower left corner). Can you help him? You can't pass through any of the Guard Rooms, and must avoid stumbling into Sir Guy of Gisburne's Room or the Sheriff of Nottingham's Room at all costs. Good luck!
